www.mandayen.com.au

Welcome

Our 16th Bull and Female Sale will once again be held on our Keith property at the “Eight Mile” sale complex. We put a lot of effort into finding top line genetics from Australia and Overseas that display great muscling, softness, doing ability, structure and gentle dispositions for which Mandayen genetics have become well known.

Once again we will be offering 28 Limousin cow and calf pairs with spring calves at foot joined and 13 spring joined heifers. We have searched through the female herd vigorously to find some outstanding matrons, these go back to a lot of our great foundation and donor cows that have consistently performed so well for us over last 25 years. To round this out we have 13 joined spring 2019 drop heifers that combine solid maternal backgrounds with modern sires who excel for muscle, soundness and softness which have their whole lives in front of them.

In our Limousin bull sale, we will offer a draft of sires with the selection emphasis being on the economic traits, structural soundness, muscle, softness and docility. Sire lines include Mandayen King K6 to follow on from last year with plenty of performance, depth and muscle that will appeal to both stud and commercial producers. Wulf's Compliant has another consistent run of bulls which no doubt will be some of the highlights of the sale. Compliant sired the Heavy Domestic and Grand Champion carcase at the 2020 Adelaide Carcase competition.

Another of our consistent performers over the past few years Mandayen Jackaroo, who has proven to be a soft and easy calving, moderate carcase bull. Other sires include Mandayen Liquid Gold and the high performance Mandayen Kong who has some outstanding bull in the sale. As well as new sires Oakleigh Kingmaker and, Summit Prototype (the top price bull at the Limo National in 2018).

The entire sale draft has been parent verified to ensure blood lines and genomic tested to increase the accuracy of each animals EBV's. If you would like to inspect the bulls pre-sale as always we have our usual field day on Tuesday 9th of February at our Eight Mile sale complex 365 Dark Island Well Road, Keith, or inspection by appointment for your convenience. Dick Whale of IBMS has structure assessed all sale bulls, if you like an independent opinion of any bulls please contact Dick Whale on 0427 697 968. We would like to thank our sale agents (Elders and Spence Dix & Co) for their ongoing assistance and support.

If you are unable to attend on sale day and wish to purchase, we recommend contacting one of their representatives to place an order or to organise phone bidding, the auction will also be interfaced online through Auctions Plus, with videos of each lot available. We also appreciate the continued support of agents from other firms. Most importantly we would like to thank everybody who has been involved and supported our program over the years. We wish all prospective purchases the best of luck on sale day and are confident our cattle will perform for their new owners.

Damian Gommers and family
MANDAYEN LIMOUSIN & ANGUS

Sale information

Sale Day Wednesday 17 February 2021
On Property at the "Eight Mile" Sale Complex, Keith, SA

10:30 AM Inspection

12:00 PM Lunch*

1:30 PM Bull Auction commencing with the Limousin Females, followed by the Limousin bull draft, and Angus bulls

**Due to Covid 19 restrictions our catering will be limited to light snacks & refreshments.*

Presale Inspections

The offering will be available on sale day 12 km north of Keith at 365 Dark Island Well Road (on the left). The bulls will be on display at our SA Field Day: **9th Feb** - Upper Southeast at 8 Mile Sale Complex. Any other presale inspections are by appointment with the vendors or their agents.

Videos and photos of the sale offering will be online at mandayen.com.au by the end of January

Accommodation

There are many accommodation options near the Mandayen Sale Complex, including:

Keith Hotel Motel (08) 8755 1122

Bordertown Motel (08) 8752 1444

Keith Motor Inn (08) 8755 1500

Tintinara Hotel (08) 8757 2008

Dukes Motor Inn, Bordertown (08) 8752 1177 Bordertown Parkland Motel (08) 8752 1622

Health

- Mandayen stud is JBAS score 6 & the bulls have been tested PI negative.
- All bulls have been drenched & vaccinated with 7 in 1 & pestiguard.
- All bulls have been treated with Dectomax.

Sale Catalogue Disclaimer

All reasonable care has been taken by the Vendor to ensure the information provided in this catalogue is correct at the time of publication. However, neither the Vendor nor the Agent make no representations about the accuracy, reliability or the completeness of any information provided in the catalogue, and do not assume any responsibility for the use, or interpretation of the information in this catalogue.

Safety Disclaimer

The owners, employees and representatives of Mandayen accept no liability for any accidents that may occur at the Mandayen Sale or while on the property. Although any such occurrences are rare, any person attending the Mandayen sale or associated events does so at their own risk.

Sale information

Supplementary Information

Supplementary sheets will be available at the sale with any updated information on the sale offering. All bulls have been semen tested by Nationwide AB, any queries should be directed to Drew Pickford on 0428 925 255. Bulls are guaranteed fertile & fit for breeding, contact Damian for more details on this guarantee.

Stud Transfers

All animals are registered with the Australian Limousin Breeders Society and the Angus Society of Australia. They are all eligible for transfer into your ownership. We ask all purchasers of animals who require transfers to indicate this on your "Buyers Instruction Sheet".

Buyers' Registration and Sale Conditions

- Buyers will be required to register with the selling agents prior to the commencement of the sale. They should display their registration number at the fall of the hammer when purchasing a sale lot.
- All sale lots are sold exclusive of GST.
- A 3% rebate is offered to outside agents who meet the following conditions:
 1. Introduce their client in writing to the vendor by 5pm on the day prior to the sale
 2. Settle within 7 days

Insurance

Purchases become the responsibility of the buyer at the fall of the hammer. While all care will be taken by the vendors we recommend buyers insure their purchasers. The selling agents will have insurance representatives at the sale.

Transport

Transport concessions are offered on the bulls. This includes free delivery to central points as far north as Albury. Assistance to other buyers will be considered if needed.

Delivery is free in both South Australia and Victoria.

Safety in Bull Pens

The bulls have been screened for temperament and are quiet to handle under normal conditions.

The stress of sale day can upset some animals so we ask that you move kindly and quietly around the stock. If any assistance is needed to view the bulls please ask either Mandayen staff or a sale agent representative.

Visitors enter the viewing pens at their own risk and children must not enter the pens.

AuctionsPlus

How to Register and Bid on AuctionsPlus

1

Go to www.auctionsplus.com.au to register at least 48 hours before the sale.

2

Select “**Sign Up**” in the top right hand corner.

3

Fill out your name, mobile number, email address and create a password.

4

Go to your emails and confirm the account.

5

Return to AuctionsPlus and log in.

6

Select “**Dashboard**” and then select “**Request Approval to Buy**”.

7

Fill in buyer details and once completed go back to Dashboard.

8

Complete buyer induction module (approx. 30 minutes).

9

AuctionsPlus will email you to let you know that your account has been approved.

10

Log in on sale day and connect to auction.

11

Bid using the two-step process – unlock the bid button and bid at that price.

12

If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

EXPLANATION OF THE SUFFIXES TO ANIMAL NAMES IN THIS CATALOGUE

Horn Status: (HP*) Homozygous Polled by DNA test (which has an accuracy of 92%), (HP) Homozygous Polled by progeny test, (2P) Homozygous Polled by Pedigree, (P) Polled, (S) Scurred.

Colour: (HB) DNA tested Homozygous Black, (2B) Homozygous Black by pedigree, (B) Black, (R) Red (not Apricot).

Protoporphyria Status: (PN) Proto Normal, (PF) Proto free by pedigree, (PC) the animal is a carrier of the abnormal gene for Protoporphyria, (PS) Proto Suspect (parent of diseased animal), (PU) the animal has not been tested for Protoporphyria or have parents which have been tested normal or are free by pedigree.

Homozygous: Is the term where an animal has two copies of the particular gene (tested or pedigree) for a trait (colour, polled). An example is Homozygous Polled where all progeny will be polled from that particular animal or Homozygous Black where all progeny will be black.

F94L: (AA) 2 copies, (AC) 1 copy, (2A) 2 copies by pedigree, (CC) no copies.

EXPLANATION OF ESTIMATED BREEDING VALUES

An Estimated Breeding Value (EBV) is an estimate of the genetic merit of that animal for each trait measured. EBVs are provided for the following traits:

Calving Ease Direct: indicates the ability of a sires' calves to be born unassisted from 2 year old heifers. Higher, more positive Calving Ease EBVs are more favourable.

Birth Weight: indicates the genetic potential for birth weight. Positive EBVs indicate higher birth weights and negative EBVs indicate lower birth weights of progeny.

Milk: a key component of fast growth to weaning is the dam's maternal performance. A bull with a high milk EBV should produce daughters which milk well.

200, 400 & 600 Day Weight: give us an estimation of the animal's genetic potential for growth.

Mature Cow Weight: indicates the genetic differences between cows in live weight at 5 years of age. Animals with higher, more positive EBVs would expect to produce progeny with higher mature weight gain than animals with lower EBVs.

Scrotal Size: indicates whether the bull will produce sons with above average or below average scrotal sizes.

Carcase Weight: ranks animals for carcase weight.

Eye Muscle Area: ranks animals for eye muscle area measured at the 12th rib on a 300kg carcase.

Rib Fat: ranks animals for rib fat depth at the 12th rib on a 300kg carcase.

Retail Beef Yield: ranks animals for the yield of retail beef cuts from a 300kg carcase.

Docility: is expressed as the increase or decrease in the percentage of progeny that will be scored as docile (score 1 or 2). Positive EBVs indicate a higher proportion of progeny that will be scored as docile and negative EBVs indicate a lower percentage of progeny being scored as docile.

Comparing EBVs

The EBVs for Limousins cannot be compared with EBVs for animal of other breeds. They should be compared with the current average EBV for the Limousin breed shown below.

Breed Average EBVs for 2018 Born Calves											
CE	B.Wt	Milk	200Wt	400Wt	600Wt	Scrotal	CWt	EMA	RIB	RBV	DOC
+1.6	+1.5	+7	+20	+33	+45	+1.0	+29	+1.6	+0.0	+0.7	+41

Accuracies: Accuracies are presented with each EBV and give an indication of the amount of information that has been used in the calculation of that EBV. The higher the accuracy the lower the likelihood of change in the animal's EBV as more information is analysed for that animal and its relatives.

Disclaimer: The Estimated Breeding Values (EBVs) contained within this sale catalogue were compiled by the Agricultural Business Research Institute (ABRI) from the data supplied by breeders. Neither the Australian Limousin Breeders' Society or ABRI oversee or audit the collection of this data.
